- BUILDING SIZE (Total Sq. Ft.) _____
6. TYPE OF HEATING SYSTEM (New or Existing) _____
7. DESCRIBE PROPOSED WORK & SITE: _____

Two sets of plans and specifications for the proposed work shall be enclosed with this application and those plans and specification shall be in accordance with the State Education Law, Sections 7307 and 7209. Basically, this law requires that seal and signature of a licensed architect or professional engineer be affixed to all plans submitted except for farm buildings, residential buildings of under 1500 gross sq. ft. or to alterations costing under ten thousand dollars. (The applicant may request that the requirement of plans and specification be waived where the work to be done involves minor alterations or are otherwise unnecessary.)

- A. The applicant must notify the Code Enforcement Officer of any changes of information contained in this application while this permit is in effect.
- B. The Building Permit issued, pursuant to this part, may be suspended or revoked when the work being done is not in conformance with the Uniform Code or any condition of this Permit.
- C. A Building Permit issued, pursuant this part, shall expire two (2) years from date of issuance or upon issue of Certificate of Occupancy. This Permit may be renewed upon request and providing no violations exist for one (1) year at a time I hereby certify that I have read and examined the application and know all information contained in to be true and correct.

All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other State or Local law regulating construction or the performance of construction.
